InvestAmerica E-2 Visa Consulting Services

Are you interested in owning and operating a U.S. franchise, existing business or setting up your own company in America?

Would you like to live and work in the United States with your spouse and children?

Would you like to live and operate your own company in the United States in less than 6 months?

Do you have approximately \$200,000 or more to invest in your own business or franchise?

InvestAmerica provides a dedicated **one stop shop solution** to these E-2 Visa challenges for prospective investors seeking a smooth and successful E-2 Visa approval process.

- Assistance with finding a quality U.S. franchise, existing business or setting up your own company;
- Introduction to E-2 legal and immigration specialists;
- Coordination with the entire E-2 professional team including attorneys, franchisors, and business consultants;
- In conjunction with the E-2 Applicant we will conduct a franchise/U.S. business search and present pre-screened and other suitable options based on E-2 Applicant's stated skills, experiences and interests;
- Facilitate introductions to selected franchisor(s) and private businesses, and coordinate all meetings and phone calls with selected entities;
- Conduct business due diligence to assist E-2 Applicant in evaluating all the franchise/business choices presented;
- Negotiate on behalf of E-2 Applicant to secure the most favorable terms and pricing for the acquired business;
- Provide translation services to E-2 Applicant, as and when necessary;
- Consult with E-2 Applicant until E-2 application is complete.
